

REGIONAL CENTRE FOR BIOTECHNOLOGY

Admissions to the Postgraduate Diploma in Industrial Biotechnology (PGDIB)

The Regional Centre for Biotechnology (RCB) is an Institution of National Importance created by an Act of Parliament, established by the Department of Biotechnology (DBT), Government of India, under the auspices of UNESCO. RCB has emerged as a pioneering institute for research in Biotechnology and is defining new horizons in providing world-class education, training and research at the interface of multiple disciplines. RCB is committed to exploring new frontiers, furthering science and connecting contemporary and emergent areas of Biotechnology through cutting-edge research.

RCB is launching the 'Postgraduate Diploma in Industrial Biotechnology' program to train students in a variety of industry-relevant courses. This course will provide students with the required knowledge and skills for producing, testing, licensing, packaging, and releasing biotech and biopharmaceutical products. The program's goal is to prepare students for careers in industry, bridging the gap between industry and academics.

The programme shall be of one academic year duration and will undergo one semester (six months) of coursework physically at RCB, Faridabad, followed by second semester comprising of hands-on training and a 3-4 month internship programme in various industries or academia. More details of the program can be found at <https://pgdib@rcb.ac.in>.

Eligibility Criteria

The minimum qualification for admission to the RCB PGDIB shall be a Bachelor's degree in Science or Engineering or Medicine or an equivalent degree with the minimum of 50 % marks. Candidates with additional qualifications and a strong interest in the subject may also apply.

Number of Seats: 30

Reservation of seats: As per Gol guidelines.
